Special offer! These properties are available now in the very highly regarded Harbour Lights development situated across the road from the sea.

Built in courtyards - around their own private community swimming pools, splash pools, garden and more formal plazas with fountains and sitting areas. They are mostly linked together by pedestrian priority streets, winding up through the village from the seafront and harbour.

They are havens of privacy, sunlight and tranquility within and on the periphery of the village. All of these apartments are built to the highest spec that you would expect from a leading luxury builder.

These prices include the roof and other terraces, if allocated and, in all cases, an allocated parking space in the basement. The price includes double glazing. The areas of terraces and other facilities are additional to constructed areas. Details of patios, balconies and gardens are as shown on the Project Plans. The areas given are indicative and approximate pending exact measurement.

The LAUNCH PRICE includes FREE OF CHARGE an Adult Non-Resident Resort Membership of the Desert Springs Golf Club, with the privileged possibility of up to one additional adult "Partner" also FREE OF CHARGE. This has a current total value of 29,000 Euros, as described in the Desert Springs Resort Brochure. You have to apply and pay only the annual subscriptions within one month of signing your property deeds.
