## Vera

**€515,000**

Opulent 4 bed residence set on an 10,000 mts<sup>2</sup> freehold plot in the outskirts of the Village of Vera with excellent access via an asphalted road with easy access to the roads network and a short drive to the coast. The Villa has a built area of approx. 340 mts<sup>2</sup> on two levels, ground and semi basement area. The ground level is comprised of entrance porch, a grand entrance hall, cloakroom, large living room with an open fireplace, dining room with direct access to a large terrace overlooking the children's playground and the entertaining area, study, spacious hallway all the way across the floor with a large Juliet balcony at the end overlooking the landscaped grounds and swimming pool, master bedroom with en suite and walk in dressing area, large fitted and well equipped kitchen with a separate larder, laundry / ironing room, 2 further double bedrooms both with built in wardrobes and a family bathroom. The semi-basement area can be accessed via an interior stairs from the ground level or via the exterior and here there are a double bedroom, an office, a bathroom with shower, an area big enough to house a lounge, cinema room, games room and gym. This area is also prepared to have a chimney installed. There is also a lock up garage. As the semi-basement area has its own exterior access and natural light it can also be easily converted into a separate annex altogether. The plot is fully walled and approximately half it is landscaped, has a mature garden, children's playground, private pool and decking, entertaining area with an outside kitchen with a built in BBQ, toilette facilities, etc.

The property was built by its current owners for their own use and therefore there was a lot of thought put into the project and no money was spared during its construction and the quality of the materials used are obvious throughout from the floor and wall tiles to the panels and pillars made to measure with quality wood, to the lightings and fixtures and fittings, to the quality of the windows and doors, etc. Additionally, the Villa benefits from double glazing throughout, electric central heating, air conditioning, high ceilings, and so on. This is a must see property for those with an eye for details and are looking for a home in the outskirts to either enjoy full-time or as a second home. Virtual viewing is also available.
