Vera Playa

From €190,000

Frontline 1 and 2-bed Apartments and 2-bed detached Villas with private swimming pool for Sale. Located on the beachfront of one of the most sought-after areas of Vera Playa, Almería. Dunas de Vera Resort is an exclusive off-plan beachfront luxury holiday resort with extensive facilities and professional management. The development is ideal for investors looking for secure and tangible bricks and mortar investment to benefit from both rental income as well as the predicted excellent capital growth prospect on their initial investment.

The resort will comprise of 200 luxury tourist residences, including 156 one and two-bed apartments and 44 detached 2 bed Villas with private swimming pool. All set within a private front beach resort and within beautifully landscaped grounds offering a wide range of premium facilities throughout the year. The private beach club within the resort is the social and wellness heartbeat of Dunas de Vera. Perfectly positioned facing the sea, this exclusive space offers two heated saltwater pools, sun loungers, and a premium clubhouse. Here, residents and guests can savour coastal dining, unwind by the water, or step directly onto the beach. All of this at approximately 7 minutes' drive from the future Vera High-Speed Rail (AVE) station, expected to be operational around 2029/2030.

Why is Dunas de Vera an outstanding opportunity?
• Tourist residences in one of the most established destinations on the Almería coastline.
• Exclusive resort with a private beachfront beach club.
• Heated swimming pools, gym, sauna, business centre, kids' club and leisure facilities.
• Apartments with spacious terraces and the option of a private jacuzzi or rooftop solarium.
• Detached two-bedroom villas with private swimming pools.
• Excellent location with superb connections to all essential services and main transport links.

Dunas de Vera has been designed for clients seeking a real estate investment with strong tourist appeal and a unique experience for future guests.

The arrival of the AVE is expected to transform accessibility to the area, significantly reducing travel times from Madrid and other major Spanish cities. Destinations once considered remote are increasingly viewed as convenient weekend and holiday locations, creating strong demand for tourism, second homes and investment property.

The development is designed specifically as an investment resort. Owners can use their property for up to 60 days per year without additional charges, while the professional management company handles holiday rentals during the remaining periods. Extended owner stays may be available at preferential rates during the low seasons around between November and February. Owners / investors will also benefit from access to a dedicated online platform allowing them to monitor bookings and performance, together with regular management reports.

Properties are scheduled for completion in August 2029.
